

# Reach Mallorca School

Discover the Reach Mallorca School - a 5-month intensive training program for evangelism and passionate Jesus discipleship. Immerse yourself in life on Mallorca where you will live with other international students in the RMS Base, a traditional finca. Our goal is to train people to grow into their calling and then reach the world around them with the best message. During the teaching phase, led by inspirational speakers, we focus on teaching, worship, prayer and growing as a Christian community. In the outreach phase, the focus is on multi-faceted evangelism. Compared to the spring school, the fall school does not spend the outreach at the Ballermann in Mallorca, but in the vibrant heart of Thailand: Phuket, a true party hotspot! Be part of this exciting journey.
